Title: _____

Author: _____

Multiple Plots in One Story

1. _____

2. _____

Note: Often while reading you will find a main plot or problem and also a minor problem. Select the overall problem for 1 and make notes about it in column 1. Select another important problem for 2 and make notes about it in column 2. They might be related to the main character or others in the story. When finished, compare the two problems or plots.
