

Title: Horrible Harry and the purple people

By: Megan

Horrible Harry and the purple people is written by Suzy Kline. This book teaches kids to be yourself. Harry and Doug are the main characters, and his friends are Ida, Mary, Song Lee, Sindy, Dexter and their teachers Miss Mackle. His classroom 2B is like a Jungle, from all the class pets.

The problem in this book is that Mary does not believe that the purple people are real. But Harry has his own little mind made up that the purple people are real and give goodness to Room 28. If you want to find out what happens, and if the purple people are real or fake, read Horrible Harry and the purple people to find out!
